Question 5:
How many tens?

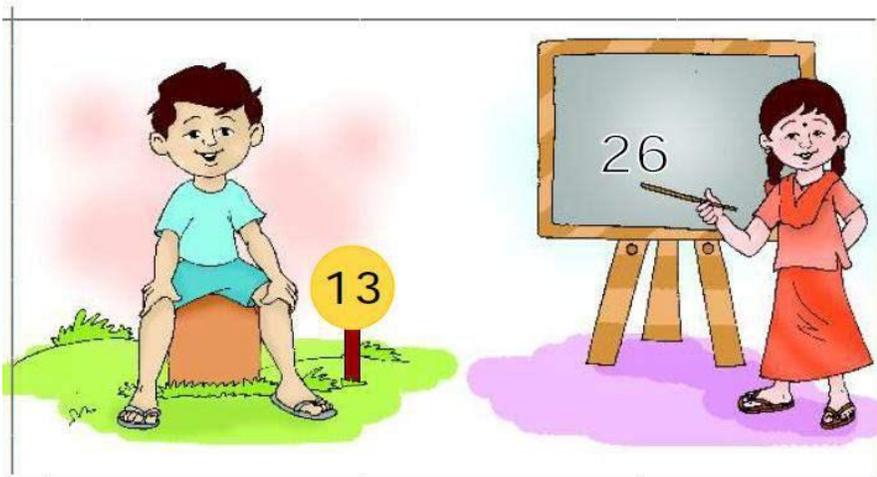

Answer:

Question 6:

Which is the bigger number?

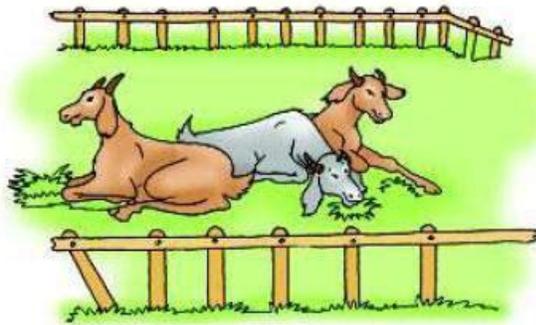

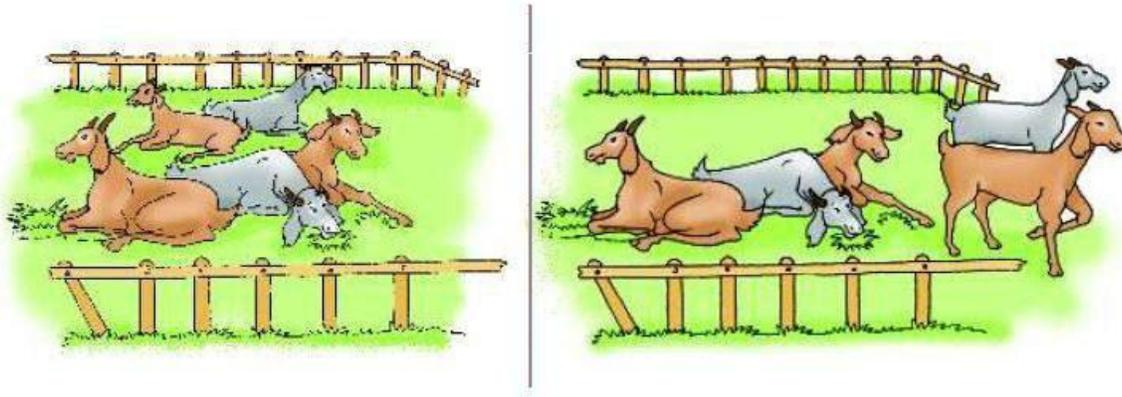

Answer:

26 is the bigger number.

Question 7:

Develop a story on the pictures and narrate in the class.

**Answer:**

Billu is a little boy. He is very hard-working. He makes beautiful baskets out of wood splints. He has 5 pet animals in his farm. Two of them left for grazing in another farm. Thus, now the farm has only 3 pet animals left.
